Early Admissions Policy

PURPOSE

This policy outlines the criteria for granting admissions to secondary school students who have not completed a high school degree or its equivalent.

POLICY

Students who have demonstrated academic excellence, are looking for a rigorous experience at the college level, and wish to earn an associate degree from NTCC should consider applying for the early admissions program. If admitted through early admission, students would begin classes at NTCC as a freshman instead of attending the senior year of high school. Students seeking early admissions

- have a minimum of a 2.0 cumulative high school GPA at time of admissions;
- possess the maturity to satisfactorily adjust to college life and adhere to the NTCC Student Code of Conduct;
- received approval in writing by the secondary school administration that the student will be granted a diploma upon satisfactory completion of a specified amount of acceptable college work; and
- have written permission from parent or guardian.
