# Digital Literacy

4 credits

If you're focusing on a future in computers, or any field that requires the use of computers, one certification can set you apart from the crowd.

The Internet and Computing Core Certification (IC3) provides both students and job seekers with the foundation of knowledge needed to succeed in environments that require the use of computers and the Internet.

## Why enroll in CPTR 1010?

This class will prepare you for **IC3 Certification**, an industry standard & globally recognized credential that reflects the foundation skills needed to excel in virtually all career fields and academic pursuits requiring proficiency in the use of computers and Internet applications.

CPTR 1010 + KYBD 1000 (Basic Keyboarding) = **Software Application Specialist TCA Certification**
