

Richard Weeks Maritime Workforce Endowed Scholarship

History and purpose: Established by Weeks Marine in tribute to Richard N. Weeks (Dick Weeks), Chairman of Weeks Marine, one of the leading marine construction, dredging, and tunneling firms in North America. Under Mr. Weeks' leadership, Weeks Marine has grown into a strong national marine contracting business fielding a fleet of over 400 vessels. Weeks Marine has a history of employing NTCC students and graduates. After touring the STEM Campus in Lacombe, Mr. Weeks made a direct investment to the support and continued development of the school's Maritime Technology program. Because of his commitment and dedication to education, he allocated a portion of that

investment, establishing the Richard Weeks Maritime Workforce Endowed Scholarship.
